Decision Making

40% Less
Manual Effort

3x ROI

Uncover ScanB's Game-Changing Advantages

- **Quick Deployment:** Plug, Configure, Play.
- **AI Powered:** Provides instant, context-specific insights beyond dashboards through natural language queries.
- **Product Scanning:** Gain 360° visibility into product performance insights just by a barcode scan.
- **High-level Security:** ScanB leverages Microsoft Azure AD for advanced security and authentication. It operates only on authorized IP addresses and offers role-based access management.
- **Microsoft Stack:** Built utilizing Microsoft's sophisticated Power BI platform for advanced analytics capabilities.
- **Subscription Model:** Delivered as a fully managed service with monthly subscription, enabling access to ready-to-use dashboards.
- **Training Modules:** ScanB includes built-in video tutorials for each dashboard, enabling users to access on-demand training.
